EQI THE ELEMENTS OF QUANTITATIVE INVESTING · WILEY 2025

*"Theory is cheap. There are thousands of theory papers,
in love with technical virtuosity but oblivious of reality.
Do not fall into temptation; by applications be driven."*

— G.A. Paleologo, EQI Introduction (2025)

Ask anything from the books — or pick a topic to begin. Click any [APM §N↗](#) or [EQI §N↗](#) citation in responses to open a deep-dive. Mode: Direct, precise, mildly sardonic.

Alpha vs. Beta

Position Sizing

Factor Risk Mgmt

MVO in Practice

Backtesting

Kelly Criterion

Stop-Loss Policy

Performance Attribution

PCA vs Fundamental

Market Impact

Leverage Decision

Alt Data

Drawdown Math

Timing Skill

MVO Constraints

Ask about factor models, MVO, Kelly, performance attribution...
